About This Game

"I haven't seen a better looking game this year." - Rock, Paper, Shotgun

You are the Mechanic, the last known member of a once-thriving guild of brilliant operators of the rolling fortresses called Dozers. You are in charge of commanding your crew in battles, managing your resources, improving your Dozer, interacting with various characters, and protecting your passengers while navigating through the post-apocalyptic wasteland.

English

As a fan of games like XCom and FTL the description of Bedlam sounded great, unfortunately the balancing of the game makes it unplayable. It's a pity because visually the game looks good too, but that doesn't solve broken gameplay.
